Snap! runtime verification assignment
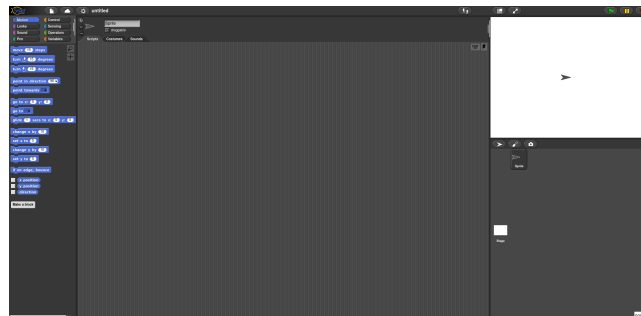

Raul Monti and Bob Rubbens

May 31, 2023

Loading the exercises

To load one of the exercises, do the following steps:

Step 1: Go to: `http://bobismijnnaam.github.io`

Step 2: Click the "Open" menu item in the top left "New project" menu.

Step 3: Click "Examples" in the dialog that opens and select one of the "Open house" entries.

Step 4: Select the "Baker" from the Sprite pane in the bottom right to see the code.

Restarting the exercise

If you make a mistake, or want to start over, it's very easy to reset Snap!. Just load the exercise using the steps from "Loading the exercises" above. **Be careful:** this will **delete** all your changes since you loaded the exercise.

Opening Scratch

To load Scratch, go to the following website:

`https://scratch.mit.edu/projects/editor`
